CURRENT INITIATIVES

SiCM pilots new initiatives that address an unmet need or gap in service. New to SiCM: COCOA House—an after school tutoring, homework assistance and meals program for high-needs children; STARS—a pre-school literacy program at the food pantry.

PAST INITIATIVES

Throughout its history SiCM has developed programs and services to address community concerns, nurtured those programs and, when ready, "spun-off" those programs to other organizations or to independent non-profit status. Examples include: a center for persons with HIV/AIDS; an emergency shelter and outreach program for persons at risk of sexual exploitation.
